PROFESSIONAL SUMMARY

B.Tech student specializing in Artificial Intelligence and Machine Learning with hands-on experience in building end-to-end ML projects, web development, and manual QA testing. Proficient in Python, React.js, and cloud technologies, with a strong foundation in data science, predictive modeling, and software quality assurance.

TECHNICAL SKILLS

Languages: Python, Java, C **Web:** HTML, CSS, JavaScript, React.js **Databases:** MySQL, MongoDB
ML Libraries: NumPy, Pandas, Matplotlib. **Tools:** Git, GitHub, Docker, Linux, VS Code. **CS Fundamentals:** Data Structures and Algorithms, Object-Oriented Programming, Operating Systems.

PROJECTS

FarmIQ - AI-Powered Smart Farming Platform [[GitHub](#)] | Python, Machine Learning, Full Stack

- Engineered 3 AI modules (crop recommendation, disease detection, weather alerts) for 100+ farmers, achieving 85% accuracy in crop prediction and 90% accuracy in disease classification.
- Developed an equipment rental module with 50+ listings that reduced farmer operating costs by 30% and boosted yield quality by 20%.

TAI – Team Approval Intelligence [[GitHub](#)] | Angular, Node.js, Express.js, MongoDB, Python (ML) | Nov 2025 – Jan 2026

- Built a loan prediction platform using Angular, Node.js/Express, and MongoDB with a Python ML microservice for real-time loan eligibility decisions.
- Designed REST APIs for loan submission, status tracking, and team-based approval workflows with role-based access control.
- Integrated `ml_service.py` via HTTP, enabling AI-driven loan decisions decoupled from core business logic for modularity and scalability.

Flavour Group – Simplifying Decision-Making for Menus & Recipes [[GitHub](#)]

- Built an application that helps users choose recipes by categorizing dishes according to flavor profiles.
- Implemented filtering and recommendation features to make menu planning more efficient.
- Enhanced usability by reducing the time required to find suitable recipes based on user preferences.
- Utilized structured data management and intuitive UI principles to improve the overall user experience

AthleteIQ – AI-Based Athlete Coaching System [[GitHub](#)] | SQLite Engine V3, HTML5, CSS and JavaScript

- Developed an AI-powered coaching platform that helps athletes analyze training habits and understand the potential consequences of their decisions.
- Provided personalized insights and recommendations to improve performance while reducing the risk of injuries.
- Implemented data analysis and predictive features to support informed training and recovery decisions.

EDUCATION

Bachelor of Technology - Computer Science and Engineering (AI and ML) | Parul University | 2023 - 2027 | **GPA: 8.08/10**

Senior Secondary Education (Class 12) - Sri Chaitanya | 2021 - 2023 | **88.7%**

INTERSHIPS

IBM SkillsBuild and AICTE (1M1B) - AI for Sustainability Intern | Dec 2025 - Jan 2026

- Developed 3 AI sustainability models reducing predicted environmental impact by 25% and completed 10+ IBM SkillsBuild assessments with 100% completion rate.

Ediglobe - Web Development Intern (Star Performer Award) | 2025

- Built 4 responsive web pages with HTML, CSS, and JavaScript, delivering all tasks 2 days ahead of schedule.

Cognifyz Technologies - Web Development Intern | Dec 2025 - Jan 2026

- Deployed 3 full-stack web features using React.js, accelerating page load speed by 30% and enhancing user experience across 2 major modules.

Python for Data Science: From Arrays to AI | 2025

- Learned Python for data science, including data manipulation with NumPy and Pandas, data visualization, and introductory AI and machine learning techniques.

CERTIFICATIONS AND ACHIEVEMENTS

- AI and ML Project-Based Learning Program (FarmIQ) - ByteXL TechEd | Aug - Oct 2025
- CERTIFICATIONS
- JavaScript Developer Certification
freeCodeCamp | July 2026
Credential: <https://freecodecamp.org/certification/nikhath123/javascript-v9>

HACKATHONS

- Parul University Code Hackathon 3.0 - Parul University and Vadodara Municipal Corporation | Jan 2026
- Hackathon Participant – Cognizant and Parul University.
